## WHAT IS DEBICHECK?

DebiCheck is an authenticated debit order initiative mandated by the South African Reserve Bank and implemented by the banking industry in South Africa. DebiCheck allows you to electronically approve any new debit orders processed against your bank account.

DebiCheck is mandatory in IFA. To become an IFA and for your IFA contract and product to be issued, you will be required to DebiCheck.

Accept your DebiCheck mandate and pay the first total monthly payment to access product benefits.

# SIMPLE WAYS FOR YOU TO DEBICHECK:

A new application via the IFA App

A Point of Sale Device with an IFA Presenter

Via the IFA App DebiCheck

Calling the National Contact Centre

Accept the DebiCheck mandate via:

ATM

Banking App
